## LOGO

The logo is the embodiment of decades of tradition and family, coupled with our undying passion for high performance, competition, and business. It should be used consistently to foster brand awareness.

## LOGO CONSTRUCTION

The following is the clear zone rule for the the logo in order to gain maximum visibility, the logo should always appear with a minimum area of clear space around the logo.

This area should be free of any type or graphic element.

## LOGO SAFE ZONE

The following is the clear zone rule for the Logo. In order to gain maximum visibility, the logo should always appear with a minimum area of clear space around the logo. This area should be free of any type or graphic element.

## LOGO SIZE

Reduce or increase the size of the logo as needed without changing the ratio of the logo.

The logo consists of the words "Farming Hub" in a white, sans-serif font. The word "Farming" is on the top line and "Hub" is on the bottom line. A small green leaf icon is positioned above the letter 'i' in "Farming". The text is contained within a dark green rounded rectangle with a thin yellow-green border at the bottom. Below the logo is a dashed rectangular box indicating its width.

Farming Hub

25 mm

The logo is identical in design to the 25 mm version but scaled up. It features the words "Farming Hub" in white, a green leaf icon above the 'i', and a dark green rounded rectangle with a yellow-green border. A dashed rectangular box below indicates its width.

Farming Hub

35 mm

The logo is identical in design to the previous versions but scaled up further. It features the words "Farming Hub" in white, a green leaf icon above the 'i', and a dark green rounded rectangle with a yellow-green border. A dashed rectangular box below indicates its width.

Farming Hub

50 mm

## LOGO DON'TS

The Logo is the brand's primary visual representation, its integrity should be respected at all times, in all places. Please do not stretch, condense, augment or distort its form. Changing any graphic element of the logo will weaken its impact and detract from the consistent image we seek to project.

The illustrations to the right describe some, but not all, of the more common misunderstandings and inappropriate uses of the logo.

The logo is shown with a grey drop shadow underneath it, which is an incorrect application of effects.

**EFFECTS:** Do not add any kind of effects like a drop shadow to the logo.

The logo is shown with a thick green outline or stroke around its edges, which is incorrect.

**STROKE:** Do not stroke the logo

The logo is shown in a rectangular frame that is wider than it is tall, indicating it has been stretched or its proportions changed.

**PROPORTIONS:** Do not change proportions of the Signature.

The logo is shown in an orange color, which is not the brand's official color.

**COLOUR:** Do not change the colours of any of the logos.

The logo is shown with a green horizontal line underneath the text, which is an incorrect modification.

**CONTRAST:** The logos should always be placed in locations that are not too complex to allow them to be viewed clearly.

The logo is shown tilted at an angle, indicating it has been rotated from its original orientation.

**ORIENTATION:** Do not change the orientation of the logo by rotating it any way

The logo is shown in a larger size than the standard version, indicating incorrect scaling.

**SCALE:** Do not play with the scale of the logo. The proportions of the logos should not be altered in any way.

The logo is shown as if it has been cut off or cropped, missing some of its original elements.

**CROP:** Do not crop the logo in anyway

The logo is shown with a semi-transparent grey rectangle placed over it, indicating incorrect use of transparency.

**TRANSPARENCY:** Do not lay any kind of transparency over the logo.

## USAGE ON BACKGROUND COLOURS

Ideally the logo is to be used on a white background for maximum impact and clarity.

When this is not possible, be sure to choose background colors.
